

Space Center Roundup

VOL. 40, NO. 19 LYNDON B. JOHNSON SPACE CENTER, HOUSTON, TEXAS October 26, 2001

John Yaniec enjoys the ups and downs of his job on the KC-135

John Yaniec, Lead Test Director of the Reduced Gravity Program, recently experienced his 20,000th parabola aboard the KC-135. The total number of parabolas Yaniec has completed is the equivalent to one week of being weightless.
